Welcome to our page for information regarding transport for Ukrainian Community

Local Link Transport

Shuttle Services
A number of shuttle services are now in place to facilitate travel of large groups throughout rural county Mayo. Follow the link for timetable information here (LINK TO THE PAGE)

Requests for transport funding is subject to approval by the National Transport Authority.

Emergency & Once Off Transport
Funding for 'Emergency Transport' to address transport requirements of refugees on arrival to a community to ensure successful integration can be provided. For example, where refugees are being set up for Public Services Cards, health related transport or other emergency requirements can be considered.

Local Link Services
TFI Local Link Mayo manage over 50 services on behalf of the National Transport Authority throughout County Mayo including door to door services. For timetable information regarding services visit **here**

Community Car
Community car services will be available for individuals living in once off housing in rural locations throughout the county where there are no public transport options available.   Updates will be available on this page once the services are operational.

For more information email mayo@locallink.ie

Other Transport Supports

School Transport
School transport is under the remit of the Department of Education. School principals may apply for transport for children attending their school who are residing in accommodation centres (or similar). For more information visit *https://www.gov.ie/en/publication/48639-information-for-schools-ukraine/*

Transport from one centre to another when refugees are relocating
The provision of transport from one centre to another when refugees are relocating is organised and paid for by IPAS. IPAS essentially have 3 pillars of transport that they are managing:

- Airport to City West;
- City West to locations nationwide for housing; and
- Nationwide relocation trips.
